Supercalifragilisticexpialidocious!

By Mary Ligon

Supercalifragilisticexpialidocious! That's how I feel about my time this year as your Governor, and certainly how I felt seeing all of us together in Sandestin last weekend at our District Conference. From the Pony Prix that started us off through the GRSP thank you's in all their native languages at conference close, our Jolly Holiday was inspiring and fun.

On Friday night, several individuals and clubs were recognized for particularly great contributions. I applaud you all - and would like to make special mention of two - PDG Bob Hagan and Becky Stone, both from Roswell. [more]

23rd Annual Roswell Remembers Memorial Day Celebration

By Lynne Lindsay
In 1995, a group of Vietnam Veterans along with the cooperation of the City of Roswell, raised money to construct a Memorial. The "Roswell Remembers" Memorial Day Ceremony was established in 1998 after the completion of the "Faces of War" Memorial. The desire was to create an annual non-political, non-commercial ceremony incorporating the Holiday, Families, and Community into one "great day of remembrance" honoring those who gave the ultimate sacrifice for the freedoms we enjoy today. A joint effort between Roswell Rotary Club and the City of Roswell, this year the 23rd annual event will be held at 11:00 a.m. on Monday, May 30th at Roswell City Hall, 38 Hill Street. This is the largest Memorial Day Ceremony of its kind in the Southeast and attracts visitors throughout Georgia and the Southeast. [more]

Imagine making leadership rewarding and fun as early as elementary school ... and following that all the way through high school graduation. That's what Progressive Interact is all about. It's designed to engages youth in Interact Clubs with three key goals in mind:

- Provide students a strong support system as they make major transitions from fifth to sixth grade and from eighth to ninth grade through member connection and community service.
- Offer access to our community's leaders and great role models in our Rotary Clubs.

Progressive Interact works! Since 2013, Roswell Rotary has implemented and sponsored a dozen Interact Clubs, including five at the elementary school level, two in middle school and five in high schools. Read more about how the program works and how it benefits students. [\[more\]](#)

Roswell RRAH Off to a Great Start!

By Becky Nelson

In March, the **Roswell Rotary Club** kicked off the Roswell Rotary After Hours Club (RRAH) with an exciting 20 guests.

Deliberately intending to create an additional meeting time for those who can't make lunch every Thursday, the RRAH was started with a roundtable chat (literally) and has now grown to 14 new full-fledged Rotary Members! Average age is 29!

A recent meeting focused on creating a Vision Board so the mission, schedule and culture could be better defined. Focused on serving Rotary International through a commitment of serving the community, RRAH meets two evenings a month upstairs at The Artillery Room in Roswell. All are welcome and immediately engaged in the club's upcoming service projects. [more]
