District Conference 2024

Join Us at the Rotary Disco Lounge ... Jekyll Island ... March 21-24, 2024

By Stephanie Windham

It is not too early to start planning for 2024 District Conference House of Friendship which is the Rotary Disco Lounge. We know all the good work you have been doing in your communities and around the world. Now is the time to share with other clubs and Rotarians in the district. The Rotary Disco Lounge will be an excellent place to showcase your club's accomplishments for the 2023-2024 Rotary year. We are planning to have music playing all day and a drink station set up with soda, water, coffee and tea throughout the conference. There will be 25 tables available in the Rotary Disco Lounge with limited electricity.

District Conference 2024

Help Us Fill Jekyll Island with Song!

By Barry Oxford

Let me tell you, our District Governor André loves music and loves to sing! If you have had the privilege and pleasure to have her speak at your club's meetings, then you know what I am telling you is true.

André and I are members of the International Fellowship of Rotarian Musicians. I have had great fun singing with André at a couple of International Conventions. Maybe you sang with us too in 2017 at the Atlanta Convention. Singing together as a group or choir can be so much fun.

André has asked me to help her to Amplify Rotary in song at our District Conference on beautiful Jekyll Island, March 21-24, 2024. *Editor's Note: Remember registration is open from the home page of the District website - and you can link to our hotel blocks from there. Now read on about the choir. [more]*

Recruit Schools for 2024-25 Laws of Life Contest

By Linda Hatten

Did you know that January is the time when schools plan for the next academic year? If you want to partner with your local high school to introduce or renew the Laws of Life Essay Contest for the 2024-25 Rotary year, January would be a great time to contact the school leadership. Together local Rotary Clubs and the Georgia Laws of Life state office offer this character education program, free of charge, to high schools throughout the state.

The GLL state office can provide your Rotary club with prospect letter templates, contest talking points, and info flyers to share with potential partner schools. On our GLL YouTube Channel, look for the *Teacher Experiences* [link below] playlist for teacher testimonials.

For complete program info, contact the Georgia Laws of Life team at lawsoflife@georgialawsoflife.org.

GRSP Update
GRSP
Pairs in
Columbus

by Katheryne Fields, GRSP Executive Director
By Katheryne Fields
Helle Friis, 22, from Denmark and Mia Trabanino Ibanez, 18, of El Salvador are a pair of GRSP scholars who have grown up hearing stories about the opportunities of studying in Georgia. They are both eagerly anticipating spring semester at Columbus State University and upcoming GRSP events. Read more about their GRSP pasts and their plans for the future. [\[more\]](#)

Service Opportunity

Join Us for an Historic Trip to Honduras

By Bob Hope

This year's Wilderness Team trip to Honduras will be historic for our group, the Wilderness Team. We made our first trip in 1999, 25 years ago. So, let's celebrate together in a beautiful spot in the valley between the Agalta mountains. We have a lot of sports reserved for our trip March 2-9 but plenty of room for more. If you want to learn more about what we do in Honduras, go to www.havefoundation.org and buy tickets to attend our annual Honduras Hope fund and friend-raising event on January 25th at Atlanta City Hall. Have a great dinner, learn a lot and be well entertained.

North Atlanta Rotary Committed to Preventing Spina Bifida

By Jon Yaeger
The **Rotary Club
of North
Atlanta (RCNA)** is
partnering with
Rotary clubs in
Texas, North
Carolina, and
Addis Ababa on a
Global Grant
project in Ethiopia
(Global Grant
GG2240039). The
project focuses
upon women
who have already
had one child with
spina bifida or
anencephaly
(serious birth
defects known
collectively
as neural tube
defects or NTDs),
because these
women have a 10X
higher risk of
having
another child with
an NTD. The chief
cause of these
defects is a dietary
lack of inexpensive
folic acid (also
called vitamin
B9). Providing
these women with
supplemental folic
acid
pills before they
become pregnant
should greatly
reduce their
chances of having
another baby with
an NTD.

Brookhaven Busy Making a Difference

By Jackie Cuthbert
The Brookhaven Rotary Club is working hard in the community. Since July, the club has taken on 13 projects and has many more on the calendar for 2024. This summer, club members participated in the First Readers Program by providing books to students at Woodward Elementary. The club also sponsored a high school for the Georgia Rotary Laws of Life Essay Contest and took part in the Friends of Disabled Adults and Children (FODAC) volunteer day. Members helped to clean out the FODAC warehouse, wrapped pallets of service equipment to be shipped to the Ukraine, and helped in the thrift store.

Club News **Atlanta Southern Crescent Sponsors the Giving Side of Christmas**

By Claudia Mertl
Something wonderful happened at the Charlie Griswell Center Senior Center on December 19th and District Governor Andre' and Walter, and Assistant Governor Tyler were right in the middle of it!!!! The Rotary Club of Atlanta Southern Crescent sponsored "The Giving Side of Christmas," once again partnering with Kinship Care - a Clayton County program for grandparents taking care of grandchildren. For the 16th year, the children will have an opportunity to GIVE presents at Christmas. As the children arrive at the center, the grandparents turn them over to a "personal shopper" who helps them create a shopping list for the presents they would like to "buy." For each one on the list, the child receives one "Rotary Buck." Our "Rotary buck" has a picture of the current President on it. [more]

Who Says Ugly Sweaters Can't Sell Rotary?

By Jackie Cuthbert
The Rotary Club of Thomasville turned The Business Exchange of Thomasville into a festive, holiday "Wine or Whine" social event in December. Rotarians embraced the theme of "ugly holiday attire" with an amazing display of fun and quirky holiday outfits. The refreshments were a delightful mix of creativity and the holiday spirit filled the room while we mingled, laughed, and talked about Rotary.

Harris County Supports Annual Pine Mountain Toy Drive

By Pat Keating
The heartwarming tradition of ensuring local children experience the magic of Christmas continues in Pine Mountain as business owners and dedicated volunteers unite for the Annual Community Christmas Toy Drive. What began as a humble initiative by two local shop owners, Bruce Thompson, and Dr. Phil Rogers, has blossomed into a cherished event which now takes place at a generous local warehouse facilitated by Pine Mountain residents, John Willis and his wife.

The Rotary Club of Harris County plays a pivotal role, offering significant financial support and a committed cadre of volunteers. Spearheaded by Past-President Julia Keating, the coordination involves meticulous tasks - hand-addressing more than 300 invitations, orchestrating catering arrangements, and managing numerous guest inquiries—all contributing to the success of the event. Rotary
Helps
Fund
Food
Giveaway**

By Mandy Timmons
With food insecurities growing in our local communities, the Rotary Club of Peachtree City offered a \$2500 grant to our local United Way chapter to help purchase food and supplies for the United Way Fayette Food Giveaway in November. There were non-perishables, bananas and eggplants along with chicken donated to over 100 families in need. What a great way to be #PeopleofAction to help our community! [more]
